high relief, antique finishing,
gilding.

Description

Let's discover the realm of the infinite sky with our new silver collectible coin, Michael!

The coin is dedicated to the triumph of righteousness and the good of humanity, embodied by the powerful celestial warrior of light and protector of humanity, wielding the sword of justice and righteousness - St. Archangel Michael.

The design is based on one of the most famous scenes in Christian iconography. St. Michael triumphs over Lucifer, once a beautiful leader of the angels who has turned into a demonic being, embodying darkness and evil. The depicted scene of battle is a timeless reminder of the victory of good over evil, of the strength of spirit, and the power of faith in divine justice.

The coin's relief is meticulously crafted with gilded details that emphasize St. Michael's wings, armor, and halo. The raised elements contrast dramatically with the silver background, while the vibrant red of St. Michael's cloak adds dynamic energy. Its unique design and superb craftsmanship will captivate art and sacred object collectors alike.
