

# OZ

## Description

Presenting the new 2oz silver collectible coin, Passage to Oz, which is an introductory piece for a new coin series revealing the hidden story of the Land of Oz (ounces).

Unlike the popular adaptations, the original 1900 novel *The Wonderful Wizard of Oz* by L. Frank Baum is an allegory full of hidden truths and deeper meanings that have long been forgotten. This beautifully crafted 2oz silver coin invites collectors and fans to see this classic story with new eyes and discover the secrets woven into the fabric of this beloved tale and find the key that unlocks the powerful message within.

Featuring high relief, embedded green crystals, and intricate gold details, this limited-mintage coin exemplifies exceptional craftsmanship. It is designed to captivate both collectors and enthusiasts, making it a standout addition to any collection.

## Specification

|                                   |             |
|-----------------------------------|-------------|
| Country                           | Niue        |
| Year                              | 2024        |
| Face Value                        | 5 Dollars   |
| Metal                             | Silver      |
| Fineness (purity)                 | .999        |
| Weight (g)                        | 62.2 (2 oz) |
